DLM Forum Members Meeting

Vilnius, 10.10.2013
Kuldar Aas, Tarvo Kärberg

Why?

- Interoperability in information management
 - MoReq
 - ISA
 - Archival processes, formats and principles?
- What if you need to:
 - Update your metadata schemas?
 - Run a digital repository tender?
 - ...

What?

- Wiki platform (*instead of a questionnaire/survey*)
 - To run continuously
 - To be possible to update and extend
 - To be not too restrictive
 - To become a (set of) DLM knowledge bases
- <http://wiki.ra.ee/> (demo time!)

What's next?

- Phase 1: Initial data gathering (early 2014)
- Phase 2: Analysis, creation of „DLM knowledge bases“ (mid 2014)
- Phase 3a: Wiki / knowledge bases stabilisation and „normal operation“ (late 2014 and onwards)
- Phase 3b: Standardisation on archival processes and standards (E-ARK: mid 2014 – 2016)
