Minister of Culture of the Republic of Lithuania
Order No IV-425 of 08 June 2011 (recast version of
Order No IV-377 of the Minister of Culture of the
Republic of Lithuania of 20 February 2017)

PROCEDURE OF PROVISION OF PAID SERVICES BY THE STATE ARCHIVES

1. The procedure of provision of paid services by the State Archives (hereinafter – the Procedure) shall establish the procedure of provision of the paid services by the State Archives indicated in the List of Paid Services Provided by the State Archives and Their Price List (hereinafter – the List) approved by the Minister of Culture of the Republic of Lithuania, and provides for the cases when these services can be rendered free of charge.

2. The State Archives provide paid services in the standard or urgent procedure. The heads of the State Archives may restrict the provision of services in the urgent procedure in case of high volumes of services provided in the standard order or in other circumstances.

3. The paid services of the State Archives shall be provided upon a written request with prior payment provided for the services or a part of the service rate if the final rate is unknown. The amount of partial advance payment and services it is charged for shall be determined by the heads of the State Archives.

4. The rate of the services provided do not include any bank fees for the local or international transfers, postal services and price of media the information will be recorded on.

5. The document search rates included on the List are indicated for the standard order of provision of the services, the provision within 10 business days or within 5 business days. Upon decision of the heads of the State Archives, the document search may be performed in a special order of urgency within 3 business days or within 1 business day, Where the document search is performed at a quicker term than indicated in subparagraphs 1.1.1-1.1.11 of the List, the coefficients shall be applied to the rates of the services provided, which are calculated of the rate of services provided in a standard order as indicated in subparagraphs 1.1.1-1.1.11.

5.1. for document search in order of urgency within 3 business days – coefficient 2.5;

5.2. for document search in order of urgency within 1 business day – coefficient 3.

6. The rates of the document duplication services are stated in the List for the standard provision of services. Upon a decision of the heads of the State Archives, the document duplication services may be provided in order of urgency. The following coefficients shall apply to the rates of duplication services provided in order of urgency:

6.1. duplication of written documents in order of urgency within 1 business day – coefficient 1.5;

6.2. duplication of video and audio documents in order of urgency within 3 business days – coefficient 1.5.

7. The State Archives shall produce copies of only those documents stored, the condition of which is good or satisfactory. If duplication can be detrimental for the physical condition of documents, they shall not be duplicated. In order to protect XV-XVIII c. documents from negative physical effects, only digital or microfilm copies of these documents can be provided. The analogue copies of such original documents shall not be made.

8. The rate for duplication of documents of a format larger than A4 shall be calculated according to the number of A4 pages of the original document being duplicated. The image editing and correction services are charged at a separate rate.

9. The digital images of documents shall be recorded only on the new media (with undamaged manufacturer's packaging) or media purchased from the State Archives.

10. The documents shall be duplicated only using the equipment available to the State Archives.

11. If the State Archives have no technical capacities to provide the services indicated in the List, such services shall not be provided.

12. The State Archives shall not duplicate the documents, the use of which is restricted by law or document transfer agreements. Such documents shall be duplicated in the procedure stipulated in those laws or transfer agreements.

13. The State Archives provide the following services free of charge:

13.1. The services indicated in subparagraphs 1.1.1-1.1.10.2 of the List:

13.1.1. to persons receiving social benefits in the procedure set forth by the Republic of Lithuania Law on Cash Social Assistance to Low-Income Families (Single Residents), who present the statement confirming that this person is a recipient of social benefits issued by the municipality administration of their declared place of residence or, if a person has no declared place of residence, by the administration of the municipality on the territory of which this person resides;

13.1.2. to persons in state-subsidised care of in-patient social welfare institutions, who present the statement confirming that they are in the care of this institution issued by the head of the institution or his/her authorised representative;

13.1.3. to persons with assigned working capacity level of 0-25 per cent, as well as persons who reached the retirement age with assigned high special needs level in the procedure set forth by the legal acts, who present the disability certificate, as well as to the guardians/carers of these persons, where the document search is required for representation of the rights and interests of persons in their care, who produce a document confirming their appointment as a guardian/carer;

13.1.4. to other persons, who contact the State Archives via the diplomatic establishments of their countries in Lithuania in cases provided for in the international agreements of the Republic of Lithuania;

13.1.5. to national and international humanitarian associations;

13.2. The services indicated in subparagraph 1.1.2 to the persons registered with the labour exchange, who present a statement issued by the territorial labour exchange confirming that this person is unemployed;

13.3. The document search services indicated in paragraph 1 of the List to the state and municipal authorities, institutions and companies, if they provide a request for a search of documents or information contained therein, which is related to the performance of their functions attributed by law or other legal acts.

14. The services indicated in paragraph 13 of the List shall be provided free of charge no later than within 20 business days of registration of the request with the State Archives.

15. The State Archives shall provide the services indicated in paragraph 1 of the List, if their volume is particularly high (indicating more than 5 service objects or including an extensive period or territory, or requesting production of a high number of copies (more than 100), etc.), under contracts stipulating the procedure of provision of these services, terms of delivery, rates, payment and other conditions. The service rates shall be determined in the contracts depending on the type,

format and quantity of documents, condition of the document's material, storage period, use of document and other special requirements, as well as the costs incurred on document search, preparation, multiplication, publication, storage and payment for intellectual property rights including substantiated return on investment.

16. The size of remuneration for the provision of documents for re-use prepared according to individual needs of the applicant shall not exceed the expenses incurred on systematisation, adaptation, processing or other types of recycling, at the moment of transfer and provision to the application.
